### Church Sale

Palmer Bros. & Co. are putting on a unique sale, in place of their regular annual pre-inventory sale, which promises to be very popular. They have no doubt that a merry war will be on. This idea of theirs is called a "Church Sale" and prices will be given amounting to \$100.00. The church receiving the highest number of votes will get \$50.00 in cash, the second largest number receives \$25.00, the third stock and fourth \$10.00. Every dime you trade at Palmer Bros. gives you a vote for your favorite church. The contest is now started and it behooves everyone to get busy and secure a nice little sum of money for their church.

Palmer Bros. & Co. are offering reductions on all their goods and besides getting a vote, you are getting goods away down. They are giving you big discounts on all lines of dry goods, and groceries are as low as the lowest. Now is the time to get good goods at a bargain and help your church. Here is the place where willing gives the opportunity, and it's up to you to do the rest.

### Just As Good As Anybody

"Say, wife, I was down in Yale and a friend told me they were out to a party and had ice cream right here in January, and b'gosh, I've made up my mind that when we have that progressive party at our house we will have ice cream too, and—" "What on earth—ice cream in winter?" "You bet! Bob said it was fine and they ordered it of Smith; so I just left an order with him for the 17th. We are just as good as anybody and I guess we can have what other folks can too. It will be a great treat and Smith gets the best, as he always does of everything."
